

# Daddy's L'il Girl

## Bikini Kill

I have no desire  
I can't feel a thing  
I just want to make him happy  
Daddy's little girl  
Daddy's little girl  
Daddy's girl don't wanna be  
His whore no more  
Food  
Shelter  
Love  
I need to hold my tongue  
I need to hold my tongue  
Didn't know I'd have to lose so much  
For Daddy's love  
Didn't know I'd have to lost myself  
For Daddy's touch  
Listen!  
Listen!  
Listen!  
Daddy has something to say  
He has something for you to do  
And he wants it done right now  
And he wants you to do it his way
