

The Last Goodbye

Miley Cyrus

Mmmm Yeah

Goodbye We never said that we would be perfect

We only said that we'd try

And when you said that we were forever

I guess its just another lie

Let me slip right through your fingers,

I hope you know its real this time

Yeah, you know that I said I'd never come home for a last goodbye I don't wanna let you go if you still love me

'Cause I don't wanna see you cry (Yeah)

But it feels like you and I are dying

And there's no one that can save our lives (Yeah)

And I know you're sick and tired of fighting

Sick and tired of being sick and tired (Yeah)

But I know that you're gonna want me

To come home for a last goodbye Layin in the dark with you against me

I can't even open my eyes

Cuz the pain has outweighed the pleasure

Don't think I can take another night

How has my best friend become such a stranger

It seemed like everything was fine

We've already been through this twice

And I'm never coming home for a last goodbye I don't wanna let you go if you still love me

'Cause I don't wanna see you cry (Yeah)

But it feels like you and I are dying

And there's no one that can save our lives (Yeah)

And I know you're sick and tired of fighting

Sick and tired of being sick and tired (Yeah)

But I know that you're gonna want me

To come home for a last goodbye Oooooohh Yeah

Oooooohh Yeah I don't wanna let you go if you still love me

'Cause I don't wanna see you cry (Yeah)

But it feels like you and I are dying

And there's no one that can save our lives (Yeah)

And I know you're sick and tired of fighting

Sick and tired of being sick and tired (Yeah)

But I know that you're gonna want me

To come home for a last goodbye You let me down, I gave you up

I took you back, I guess I can't blame ya

For this when I told myself

I'll never say that last goodbye

I'll never say

That last goodbye
