Days will pass

Tiger Lou

You brought this upon yourself
Don't try to pin this one on me
Tonight I give up at last
I'm now a memory of your pastI'll settle for the quiet type
Oh tonight i'll get it right
Hold your breath come and see
We're coming closer finallyHere we are alas
How our days have come to pass
Here we are alas
How our days have come to passHere we are alas
How our days have come to pass
Here we are alas
How our days have come to pass
Hey brothers sisters lovers you are all I all I need
