

# Same Page, Different Book

## Prince

Check it, 1, 2. I hitched a train  
tween here and St. Paul  
Had no idea  
Had to sleep in a pig stall  
Once I got home  
The dirt that covered me  
Nothing like the disappointment  
That u would never cSame page  
But a different book  
So much more in common  
If youd only look  
Theres only one God  
Whatever name he took  
Only matters when it comes to war  
What are we, what are we, what are we fighting forBreathe. Let itbreathe.New kids on the block  
Try to make they bed  
Here come another rock  
Upside they head  
There go the missiles  
Headed for the hood  
Trigger another car bomb  
Did nobody no goodWere on the same page  
But a different book  
So much more in common  
If youd only look  
Theres only one God  
Whatever name he took  
Only matters when it comes to war  
What are we, what are we, what are we fighting forAlright, listen yall. Were bout to let this thing just  
groovemove.Shelby J rap:Chapter, verse  
Which came first  
Thinkin to slow  
While they snatch your purse  
Faith, law, good deeds  
Practicing what u preach  
Between u and me  
TV aint reality  
Thats right, I said it  
Its said

Buy this, cop that  
All up in yo head  
to for hour news  
That aint right  
Them suckas got u day dreamin at midnightGalatians chapter 3 says  
The law was as good as dead  
Having faith in the life, death, and resurrection  
Of the second Adam instead  
Would bring are souls salvation  
If theres works in the faith we choose  
But if you all alone  
Throwing stones  
Who do you thinks gonna lose  
Who you thinks gonna loseSame page  
But a different book  
So much more in common  
If youd only look  
One God  
Whatever name he took  
Only matters when it comes to war  
What are we, what are we, what are we fighting forSame page  
Different book  
Same page  
Different book  
Same page  
Different book  
Only matters when it comes to war  
What are we, what are we, what are we fighting forSame page  
Different book  
Watch out for the sinister minister  
They out there, yallSame page  
Different book  
Better off chillin til the world ends  
What are we, what are we, what are we fightin for
