When im tossin and turning its You
When my body yearnin it's You
Im in love like Maxwell
You see me cryin but I just cant help it
Myself esteem is even higher when im walking with you
You give me fire and desire
Like Tina Marie and Rick James do
I don't care burn up the minutes on the cell
Just turn up the music and feel its hard as hell
I get abusive with the flows on me
When I seduce em' they just wanna hold me
Cuz im so smooth and it's real not phony
With a nigga you will never be lonely
Its been official im hot

It seems I been shot by cupid
Am I gonna stop, think not that's stupid cuz . . .oooooh

I cant get you off my mind

Finally found somebody who see me instead what's on the out side

As fine as Roy Jones

Makin a move in my bones

You presents makes everything else irrelevant when we close

Turn off the 2-way

You lay your head on my pillow

And do me baby

The rhythm gonna get chu groovin baby

And we can rock until broad day light

Body's knockin the boots

Destroying property, poppin me up to get through

It aint right the way you feeling on my booty

Its just you and me

Unexplanatory the way you adore me

Lord have mercy somebody gonna have to pray for me

Your worthy, my service is superb

On purpose im swerving all the way to ya heartooooh

And there aint nothing nobody can say cuz you're the one for me Baby
When I wake up in the morning it's You
