

This Time (Live from Brixton Academy)

Starsailor

In that moment I was frozen out
Of a story that I knew all about
Then I called her in the evening
My depression started lifting I won't let it kill me
This time
I won't let it kill me
This time Up to the surface came a feeling
Left me useless
Left me reeling I won't let it kill me
This time
I won't let it kill me
This time
When the beats run dry there's gonna be some blood
[Repeats]
