

# Because of You (with k.d. lang)

**Tony Bennett**

Because of you there's a song in my heart  
Because of you my romance had its start  
Because of you the sun will shine  
The moon and stars will say you're mine  
Forever and never to part I only live for your love and your kiss  
It's paradise to be near you like this  
Because of you my life is now worth while  
And I can smile  
Because of you I only live for your love and your kiss  
It's paradise to be near you like this  
Because of you my life is now worth while  
And I can smile  
Because of you
