Landslide

Cabaret Voltaire

I took my love and I took it down
I climbed a mountain and I turned around
And I saw my reflection in the snow-covered hills
Well the landslide brought me down
Oh mirror in the sky
What is love
Can the child within my heart rise above
Can I sail thru the changing ocean tides
Can I handle the seasons of my life
Uh huh
Uh huh, uh huh
Well I've been afraid of changing cause I built my life around you
But time makes you bolder
Children get older
And I'm getting older too

Well..
Well I've been afraid of changing cause I built my life around you
But time makes you bolder
Children get older
I'm getting older too
Well I'm getting older too
So take this love and take it down
Yeah and if you climb a mountain and ya turn around
And if you see my reflection in the snow-covered hills
Well the landslide brought me down
And if you see my reflection in the snow-covered hills
Well maybe
Well maybe
Well maybe
The landslide will bring you down
