Not Slipping Away- Kenny George Band

Verse 1

Talk about you sounds like a fable
Only stories I know to be true
Someone like you should never have a label
And truth be told those labels,
never looked good on you

(Pre-Chorus/Chorus)

I'll be alone
When I get home
Everything I do reminds me of you
I get a little crazy now wishes don't come true
Not slipping away
falling for you

Verse 2

The winters been cold it's gonna be the springtime
And maybe one day the flowers will bloom
Until that day we still got the moonshine,
Bought [it] off that old friend, the day that I was thinking of you

(Pre-chorus/Chorus)

I'll get home
Drunk and alone
Everything I do reminds me of you
I get a little crazy now wishes don't come true
Not slipping away
falling for you

Solo

(Pre-chorus/Chorus)

I'll get home
Stoned and alone
Everything I do reminds me of you
I get a little crazy now wishes don't come true
Not slipping away falling for you

Falling for you
I'm falling for you
I'm falling for you
