

Where Do I Belong

Infected Mushroom feat. Hatikva 6

Ohh, ohh

Life doesn't promise a bed of roses or white knights

Fields of emotions I'm trapped in darkness

Why me, save me

To win this twisted war inside me won't justify the pain

Life doesn't promise a bed of roses

Lightening strikes the pages keep on turning

Help me to be strong

I'm floating in a sea of strange believers

Where do I belong?

Ohh, ohh

They paint you a picture of perfect nowhere blue skies

Within every lie there's a web of comfort

For them, not me

To win this twisted war inside me won't justify the pain

They paint you a picture of perfect nowhere

I said now, lightening strikes the pages keep on turning

Help me to be strong

I'm floating in a sea of strange believers

Where do I belong?

Where do we go from here?

I wish I would disappear

I'm a lonely soul

So far from home

Yeah, yeah, yeah

Lightening strikes the pages keep on turning

Help me, help me

I'm floating in a sea of strange believers

Where do I, I said

Lightening strikes, I said lightening strikes

Floating in a sea of strange believers

Where do I belong?
