

# The Scientist (Anduschus Edit)

## Coldplay

Come up to meet you  
Tell you I'm sorry  
You don't know how lovely you are  
I had to find you  
Tell you I need you  
Tell you I set you apart Tell me your secrets  
And ask me your questions  
Oh let's go back to the start  
Running in circles; coming up tails  
Heads on a science apart Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
Oh take me back to the start I was just guessing at numbers and figures  
Pulling your puzzles apart  
Questions of science; science and progress  
Do not speak as loud as my heart Tell me you love me  
Come back and haunt me  
Oh and I rush to the start  
Running in circles, chasing our tails  
Coming back as we are Nobody said it was easy  
Oh it's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be so hard  
I'm going back to the start (Oh oh oh oh oh oh)  
(Ah oh oh)
