

Gigolo

Cinerama

terry said some bigmouth might have asked you out
terry said there's nothing to be scared aboutso yeah, why are you not there?
why's this 'phone still ringing?
if you're in, why don't you answer?
no, i can't believe you'd go
i can't believe you're seeing him
if you're in, why don't you answer?terry said you acted like a gigolo
terry said that you would never stoop so lowso yeah, why are you not there?
why's this 'phone still ringing?
if you're in, why don't you answer?
no, i can't believe you'd go
i can't believe you're seeing him
if you're in, why don't you answer?so yeah, why are you not there?
why's this 'phone still ringing?
if you're in, why don't you answer?
no, i can't believe you'd go
i can't believe you're seeing him
if you're in, why don't you answer
