I Believe

I Am Kloot

i believe,
in the hallelujah chorus of the shopping malls
we say we can't, we know we shan't, well of course we shall
'cause i've seen, i believei believe,
that we are forever something which is incomplete
we trade ourselves for nothings and our words are our conceit
i have seen, now i believethat the ceaseless, seamless strain of your heart
will one day cause itself to make a start
with me, we believei never thought i'd string you along
i never thought we'd last this long
but we've seen, so we believein the hallelujah chorus of the shopping malls
we say we can't, we know we shan't, well of course we shall
'cause we've seen, now we believei never thought i'd string you along
i never thought we'd last this long
i have seen, i believethat we are forever something which is incomplete
we trade ourselves for nothings and our words are our conceit
i have seen, i believe[bedroom radiation]?
[in your television]?
[radiation]?
[radiation]?
[radiation]?
