Part One Of The Cowboy Trilogy

Sean Lennon

She left me just the other night
Came back the very next day
I decided to drink some wine
Cause I couldn't get my way
Oh I said I'm gonna leave
But I guess I'm gonna stay
If I was a rooster
I would cockadoodle all day
If I was an eagle

I would try to fly away
Oh I said I'm gonna leave
But I guess I'm gonna stay
How come you never know
What it is I'm trying to say?
Hw come it's freezing cold
Wen we're in the month of may?
Oh I said I'm gonna leave
But I guess I'm gonna stay
