Random I Am

Millencolin

Every morning, it's a new surprise
Don't know who I am before I roll the dice
The options is the only thing that I decideYou see, I live for the moment know
I never did before with all and everything, I sweep the floor
And random I am, I never give a damn
About what's gonna happen nextMy wife and kids, they left me
And my job is just a memory
But that's the kind of price you've got to pay
If you're gonna go your own waySolving problems can be done in many ways
I don't care, I just don't care, I don't care
I don't care, I don't care, I don't care
Just roll the diceGet rid of all the habits, now that's the plan
Come on and try it and you'll feel grand
The first step is the hardest step to take
Imagination is the only brakeJust roll the dice and everything will turn out nice
You can be who you wanna be
Do what you wanna do and do it how you likeThis is my way of getting through the day
I don't care, I just don't care, I don't care
I don't care, I just don't care, I don't careIt's okay, 'cause I just have to pretend
It's okay, 'cause I just have to pretend
That I am someone elseThis is my way of getting through the day
I don't care, I just don't care, I don't care
I don't care, I just don't care, I don't careIt's okay, 'cause I just have to pretend
It's okay, 'cause I just have to pretend
That I am someone elseBut I, I still don't know
I still don't know
No I, I still don't know
I still don't knowYes, I, I still don't know
Still don't know
No, I still don't know
