

# The Last Time I Called Somebody Darlin'

[Roy Drusky](#)

Thinkin' of you, wonderin' who touches you the way I used to do.

The last time I called somebody darlin' was the last time you held me close to you. Missin' those times, wishin'  
that I had the heart to love somebody new.

The last time I called somebody darlin' was the last time you held me close to you. I may be a fool but I still love  
you.

I can't break the chains of yesterday.

When I get close to callin' someone darlin', my heart reminds my lips that I'm not free. Dreamin' alone, still  
holdin' on, even though there's nothing left to do.

The last time I called somebody darlin' was the last time you held me close to you.
