I Believe I Can Fly

R. Kelly

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting armsIf I can see it, then I can do it
If I just believe it, there's nothing to itI believe I can fly
I believe I can touch the sky
I think about it every night and day (Night and day)
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly hooSee I was on the verge of breaking down
Sometimes silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me, ho ohIf I can see it hoo, then I can be it
If I just believe it, there's nothing to itI believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
Oh, I believe I can fly hooHey, 'cause I believe in me, ohIf I can see it hoo, then I can do it
If I just believe it, there's nothing to it heyI believe I can fly hoo
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly (I can fly)
I believe I can fly (I can fly)
I believe I can fly (I can fly) heyIf I just spread my wings (I can fly)
I can fly (I can fly)
I can fly (I can fly)
I can fly,(I can fly) hey
If I just spread my wings (I can fly)
I can fly (I can fly)

(I can fly)
(I can fly)
