All On Me

[Mayday Parade](#)

I'm homesick
I've got a lot on my mind
I'm pathetic
Never know when I'm right
rock bottom
I'm painting a smile for now
I've got a feeling your the reason
I will let you down, down, downI'm lonesome
Save a photo for that
I'm on fire
You're the flame in my head that i can't put out
maybe I'm the first one
To fall apart on my own
Don't act like I'm the first one
Why don't you stand in line watch me do it again
I'm blaming everything that's happening
all on me
All on me
And who will be the first to finally see?
Save me
Save me
We're all liars and let the truth be told
I'm lost and so afraid
To tell everything that's happening
so blame me
so blame me
(Maybe I'm the first one)
(Maybe I'm the first one)
why don't you stand in line watch me do it again
I'm blaming all that's happening
All on me
All on me
And who will be the first to finally see?
save me
save me
We're all liars let the truth be told
I'm lost and so afraid
To tell you everything that's happening
So blame me

Blame me
(Maybe I'm the first one)
(Maybe I'm the first one)
why don't you stand in line watch me do it again
I'm blaming all that's happening
All on me
All on me
And who will be the first to finally see?
save me
save me
We're all liars let the truth be told
I'm lost and so afraid
To tell you everything that's happening
So blame me
Blame me
I'm lost and so afraid of what's to come
I'm lost and so afraid of what's to come
