

# I Just Wanna Make Love To You

## Foghat

I don't want you cook my bread  
I don't want you make my bed  
I don't want ya money too

I just wanna make love to you

I don't want you be no slave  
I don't want you work all day  
I don't want you say the blues

I just wanna make love to you

I can tell by the way that you made and talk  
I can see by the way that you switch and walk  
I can tell by the way that you treat your man  
But I can love you baby, it's a cryin shame

I don't want you wash my clothes  
I don't want you keep at home  
I don't want you to be true

I just wanna make love to you

I don't want you be no slave  
I don't want you work all day  
I don't want you to be true

I just wanna make love to you

I don't want you keep at home  
I don't want you wash my clothes  
I don't want you to be true

I just wanna make love
