

Even If I Wanted To

[Jason Aldean](#)

I'm on the brink, I can barely think
With all of these thoughts running through my head
Wonderin' if I did you wrong
No way, I did you wrong
Every night, I try to justify
All the angry things I said
Oh, but I can't take 'em back, no, I can't do that
I was wrong, oh, but now you're gone
And I can't hide what I feel inside
Just stop lovin' you, even if I wanted to
I can't hold on but lettin' go is something I can't do
Is something I can't do, even if I wanted to
All the times I sat and watched you cry
When I should have held you close
Made sure that you know how much I cared
But I was never there, I was wrong and now you've moved on
I can't hide what I feel inside
Just stop lovin' you, even if I wanted to
I can't hold on but lettin' go is something I can't do
Is something I can't do, even if I wanted to, even if I wanted to
Yeah, I can't hide what I feel inside
Just stop lovin' you, even if I wanted to
I can't hold on but lettin' go is something I can't do
Is something I can't do, even if I wanted to, even if I wanted to
