

# I Got to Cross the River Jordan

## Blind Willie McTell

I got to cross that river of Jordan  
Lord, I got to cross that for myself  
Says, nobody here can cross that for me  
Lord, I got to cross that for myself  
And I got to meet my dear old my mother  
I got to meet her for myself  
Left nobody here can meet her for me  
Lord, I got to meet her for myself  
I got to stand my trial and my judgment  
I got to stand that for myself  
Left nobody here can stand that for me  
So I got to stand that for myself  
Jordan river is so hard to swim in  
I got to cross that for myself  
Says, nobody here can cross that for me  
Lord, I got to cross that for myself  
I got to face my dear savior  
I got to face him for myself  
Says, nobody here can face him for me  
Lord, I got to face him for myself  
And I got to work soul salvation  
Lord, I got to work that for myself  
Left nobody here can work that for me  
Says, I got to work out for myself  
So I got to meet my mother and father  
I got to meet them for myself  
Says, nobody here can meet them for me  
Lord, I got to meet them for myself  
Ain't nobody here can stand that for me  
Lord, I got to stand that for myself  
So I got to lie so lonesome graveyard  
I got to lie there for myself  
Ain't nobody here can lie there for me  
Lord, I got to lie there for myself
