God Is Still Working on Me

David Frazier

God's Still Working On Me
I am so glad that God's still working on me, making me all that he wants me to be,
I am so glad that God's still working on me
And he won't finish until the work he's started is complete.
When I'm down on my knees praying Jesus, he keeps working on me
So I praise your name Jesus, you keep working on me
