

tracey Gold (fairlight Children Remix)

freezpop

(i-i-i-i-i-i-i-i-i-i-i-i-i-i-i-i)

I want to touch your permed hair
tell boner life just ain't fair.
stare at you without a care
now u are mine, now I am yours

love receiver, where did u go?
my dream weaver, nobody knows
lust deceiver, one that I chose
carol seaver, take off your clothes

tracey gold, where have you gone girl?
tracey gold, where in the world?
tracey gold, what have u done girl?
tracey gold, my heart's in a whirl over u
tracey gold, my brain's in a swirl over u
tracey gold, my hair's in a twirl over u

love receiver, where did u go?
my dream weaver, nobody knows
lust deceiver, one that I chose
carol seaver, take off your clothes

tracey gold, where have you gone girl?
tracey gold, where in the world?
tracey gold, what have u done girl?
tracey gold, my heart's in a whirl over u
tracey gold, my brain's in a swirl over u
tracey gold, my hair's in a twirl over u
