

# I'm Good (feat. T-Streets)

Lil' Wayne

Everything I said I do, I did  
I'm good, I'm good  
Everything I said I do, I did Baby lets face it, I'm not into dating  
I haven't been patient  
Ever since I been famous my time has been racing  
My motives are basic, this life I been chasing  
These hearts I been breaking (Sorry)  
And these girls I been tasting don't never get naked  
They like it in a head lock fuck them from behind  
Fuck them with their clothes on, put it to the side  
Feelings to the side like a Don do  
Get 'em wet, let it slide like a sunroof  
Got goals, got dreams  
Got a hotel, Crib  
Got niggas that'll die for the prince  
Got my city on lock, XO till the death  
Left town in a coach came back in a jet  
I'm good, I'm not living like I did before  
I'm good, I'm good, I said I'm good  
Everything I said I do, I did  
I'm good, said I'm good  
Oh, I been good  
I've been out there putting down that work  
I'm good, said I'm good, I said I'm good  
Everything I said I do, I did  
I'm good, motherfucker I'm good  
This is dedicated to everybody who forgot  
Forgive 'em motherfuckers  
Remember, don't you remember?  
I been good, we good
