Rectifier (Live at Rock Hard Festival 2007)

Tankard

You've got a big mouth! Blessed with no brain!
You cannot keep up, it's all in vain
No use discussing 'cause intelligence you lack
You can't keep up, no hope, you stabbed me in the backAll talk, no action! You bore me so!
You're full of bullshit why don't you go?
You've stated reasons why your past is full of holes
But you chose me, pathetic, what's your fucking goalRectifier, Rectifier
I know your name, you no-good liar!
Rectifier, Rectifier
I'll chase your ass till you expire!
Rectifier, Rectifier
My gun is loaded - time to fire!You've got a big mouth! Blessed with no brain!
You cannot keep up, it's all in vain
No use discussing 'cause intelligence you lack
You can't keep up, no hope, you stabbed me in the backRectifier, Rectifier
I know your name, you no-good liar!
Rectifier, Rectifier
I'll chase your ass till you expire!
Rectifier, Rectifier
My gun is loaded - time to fire!All talk, no action! You bore me so!
You're full of bullshit why don't you go?
You've stated reasons why your past is full of holes
But you chose me, pathetic, what's your fucking goalRectifier, Rectifier
I know your name, you no-good liar!
Rectifier, Rectifier
I'll chase your ass till you expire!
Rectifier, Rectifier
My gun is loaded - time to fire!Rectifier, Rectifier
I know your name, you no-good liar!
Rectifier, Rectifier
My gun is loaded - time to fire!
