Brainstorm, take me away from the norm'
I've got to tell you something
This phenomenon, I had to put it in a song
And it goes like Whoa amber is the color of your energy
Whoa shades of gold display naturally You want to know what brings me here
You glide through my head, blind to fear
And I know I Whoa amber is the color of your energy
Whoa shades of gold display naturally Whoa amber is the color of your energy
Whoa shades of gold display naturally You live too far away
Your voice rings like a bell anyway
Don't give up your independence
Unless it feels alright
Nothing good comes easily
Sometimes you've got to fight Whoa amber is the color of your energy
Whoa shades of gold display naturally Lost a thousand ships in my heart so easy
Still it's fine from afar
And you know that Whoa
Brainstorm
Take me away from the norm'
Whoa
I've got to tell you something
