

If Not You

Jo Dee Messina

I'll admit, I can be hard to please
Now and then I disagree just to disagree
There are times, I want what I want 'cause I want it
And there are things, I don't know I have when I've got 'em
But when I look at you, I ask myself
How could there be somebody else?
If not you, who
Is ever gonna make me happy
If not love, what
Is it I feel for you
If I search the world
Over under still I wonder
Who would I be looking for?
Yeah, who, if not you
When I'm stuck and feel locked up
You turn the key
You minimize all of my insecurities
You always seem to know what I need when I need it
And when I say I need only you, believe it
Of all the many mysteries yet to come
I'll have solved the most important one
If not you, who
Is ever gonna make me happy
If not love, what
Is it I feel for you
If I search the world
Over under still I wonder
Who would I be looking for?
Yeah, who, if not you
There are times I want what I want 'cause I want it
And there are things, I don't know I have when I've got 'em
But when I look at you, I ask myself
How could there be somebody else
If not you, who
Is ever gonna make me happy
If not love, what
Is it I feel for you
If I search the world
Over under still I wonder
Who would I be looking for?
Yeah, who, if not you
If not you
If not you
Who
If not you
If not you
If not you, who
If not you
If not you
If not you
