I can't stop, I won't stop*

I can't stop, I won't stop

I can't stop

[2x:]

Mama's in the bedroom, don't you stop

Mama's in the bedroom, don't you stop

Mama's in the bedroom, don't you stop

Mama's in the bedroom, don't you... stop

Mama's in the bedroom, don't you stop

Mama's in the bedroom, don't you stop

Mama's in the bedroom, don't you stop

Mama's in the bedroom, don't you... stop

A little picture and a piece of cloth

You can't be there when it comes right on

A little picture and a piece of cloth

You can't be there when it comes right on

Bitter fat breakfast

Bitter fat bluebird

Bitter fat breakfast

Bitter fat bluebird

You feel just like a priest to me

(You feel)

Just like a priest to me

(You feel)

Just like a priest to me

(You feel)

Just like a priest to me

Just like a priest to me

Just like a priest to me

Just like a priest for me
