

Warm Me Up

[Elliott Yamin](#)

It's snowing on this cold December
And it's just me and you
You know we belong together
All that I do, you know I'm true
Come warm me up, it's cold outside
Let's bundle up by the fire
Come warm me up, it's Christmas time
I want to know what's your desire
This holiday we'll celebrate
With candlelight and champagne
So come a little closer baby
I've got something for you
Won't stop until we're through
Come warm me up, it's cold outside
Let's bundle up by the fire
Come warm me up, it's Christmas time
I wanna know what's your desire
Kiss me underneath the mistletoe
I need you to know that I'm not going anywhere
I'll never leave you, you know it's true
On this Christmas Eve, Christmas Eve for you
Come warm me up, it's cold outside
Let's bundle up by the fire
Come warm me up, it's Christmas time
I want to know what's your desire
Come warm me up, it's cold outside
Let's bundle up by the fire
Come warm me up, it's Christmas time
I want to know what's your desire
