Ace Troubleshooter

Gone away, gone away forever
Not to come back home
I did stay all the night through with you
Without knowing you, goneWithout time for the world to breathe on
The changing dust it woke
Glimpses of all the life you poured out
Till the vessel brokeDon't know if I'll see you
When it's my turn to come home
Don't know if I'll see you
But I hope so, but I hope soParting now at our own Grey Havens
The words you left the debris
So be still, knowing that
He'll see you across the seaDon't know if I'll see you
When it's my turn to come home
Don't know if I'll see you
But I hope so, but I hope soTo be woken from the long sleep
Of this world's nightDon't know if I'll see you
When it's my turn to come home
Don't know if I'll see you
But I hope so, but I hope soDon't know if I'll see you
Don't know if I'll see you
