

# Move It On Over

**Hank Williams, Hank Williams III & Hank Williams,**

Came in last night about a half past ten  
That woman of mine she wouldn't let me in  
Move it on over (move it on over)  
Move it on over (move it on over)  
Move over little dog cause a big dog's movin inShe changed the lock on my front door  
now my key, it don't fit no more  
So get it on over (move it on over)  
Scoot it on over (move it on over)  
Move over skinny dog cause a fat dog's moving inThis dog house here is mighty small  
But it's sure better than no house at all  
So ease it on over (move it on over)  
Drag it on over (move it on over)  
Move over old dog cause a new dog's moving in  
She told me not to play around  
But I done let the deal go down  
So pack it on over (move it on over)  
Tote it on over (move it on over)  
Move over nice dog cause a bad dog's moving inShe warned me once, she warned me twice  
But I don't take no one's advice  
So scratch it on over (move it on over)  
Shake it on over (move it on over)  
Move over short dog cause a tall dog's moving inI'll crawl back to her on my knees  
pretty soon i'll be scratching fleas  
So slide it on over (move it on over)  
Sneak it on over (move it on over)  
Move over good dog cause a bad dog's moving in  
Remember pup, before you start to whine  
That side's yours and this side's mine  
So shove it on over (move it on over)  
Sweep it on over (move it on over)  
Move over cold dog cause a hot dog's moving in
