Move for Me

Kaskade & Dedmau5

Another night out, another dancefloor
Another night out, another dancefloor
Another night out, another dancefloor
(Move for you)
Another night out, another dancefloor
Here we go, another night out
Waited all week just to get out
Where do we come from, do I know your name?
Doesn't really matter, in this life we're all the same
Move for me, I'll move for you
Move for me, I'll move for you
Move for me, I'll move for you
Move for me, I'll move for you
A DJ [Incomprehensible]
Speakers putting up, as we go
This way and that way, getting past the night

Doesn't really matter, in this life we're all the same
Move for you, I'll move for you
Move for me, I'll move for you
Move for me, I'll move for you
Another night out, another dancefloor
Another night out, another dancefloor
Another night out, another dancefloor
(Move for me)
Another night out, another dancefloor
(Move for me)
Another night out, another dancefloor
(Move for me, I'll move for you)
Another night out, another dancefloor
(Move for me, I'll move for you)
Another night out, another dancefloor
