No More Tears

The KLF

Sunlight on a winter's day
They are driving
Driving all the way

No more tears as we roll through the years
No more tears as we roll through the years
On and on and on and on we roll

Sunlight on a winter's day
The Mu Mu is here to stay

No more tears as we roll through the years [?x]

On and on and on and on we roll

Sunlight on a winter's day
The white room is where they play
