Put me up on the game when I walk through the do'Ya know, some of these fools are so deceptive
Usin' my styles and my conversation
I hope ya get burnt, it seems ya haven't learn
It's the nick nack patty wack, I still got the bigger sackSo put your gun away, run away, 'cuz I'm back
Hit 'em up, get 'em up, spit 'em up, now
But tell me what's goin' on
It makes me wanna holler 'cuz my dollars come in ozonesLone for the break-up, shape up, now take off your clothes
And quit tryin' to spit when I'm [incomprehensible]
Speakin' of those, I'll get to the point
