Easy (Ultrabeat Mix)

Sugababes

Engines running high baby
Can you come and check it?
Got such a pretty kitty boy
I Know you wanna pet itThe weather's is nice and wet
Just south of the border
I can cook up anything
That you have to order[Chorus]
Come on baby
I'll make it easy
Come on honey
I'll make it so easy for youAnything that you want boy
You know I've got it
Anytime that you need it
You know I'm on it
And whenever you're gone boy
I just can't stand it
You just make me lose my mindHey Mr. postman
Where's the mail
For my mailbox?
I wanna sex on the beach
And I don't mean on the rocksIt's your serve, baby
But the ball's in my court
I got a landing strip clear
For you at the airport[Chorus]Anything that you want boy
You know I've got it
Anytime that you need it
You know I'm on it
And whenever you're gone boy
I just can stand it
You just make me lose my mindAnything that you want boy
You know I've got it
Anytime that you need it
You know I'm on it
Anything that you want boy
You know I've got it
Anytime that you need it
You know I'm on it[Chorus]
