What Means The World To You

Cam'ron

Killa, killa, killa, killa, killa, killa dog
It's killa dog, I'll kill you dog
Check it out, man
What means the world to you 'cause money mean the world to me
I'm a shine for the world to see, pearl the V, twirl the key
Cock back, kick back and twirl the weed
Ma, wanna roll wit a top gun, hot one, done pop one, scrub not one
Wanna ride shotgun, wanna shoot shot guns and I got hot one's
But I wanna chick that'll hop up on a stick wit a porno flick
Make sure my comes go on a lick, more to sip but screw that
Where my thugs with the hollow tips, girls that acknowledge it
Polish it after that swallow it
Stand by baby, where you at? Raise ya hand high
You don't suck what that's a damn lie, got red rye
My man ride, my fame tide, so I need a real chick
Someone to keep it real wit, someone to rob and steal wit
Someone to share my meal wit
It's that there look at you and be out for your revenue
Then even at you and she'll be blessin' you
Caressin' you, startin' that mess wit you
But you always good for now and plus no friends around
So girl, just come lift up that dress for now
And give me some points for now, talk to me, ma
What means the world to you
My money, my doe, my hoes, my clothes
What means the world to you
My money, my doe, my hair, my nails
What means the world to you
Some sex, some mex and a little bit of head rah
What means the world to you
Sex is sweet wit a cat who eat
What means the world to you
Lots of cheese, shopping sprees
What means the world to you
Diamond rings, shinin' things
What means the world to you
Ladies, fellas
My cousin Tandelese see the girl type honory
But the girlfriend was real real real fond of me

And the girl put her on to me and I'm like 'why'
I mean come through wit her, she drivin' that alumina
I'm not even thinkin' 'bout screwin' her, let alone pursuing her
I got a girl she like, what that got to do wit her
Get through wit her, mess around my girl, come down and put two in her
But I'm in a heavy case like the type that Pepsi make
Who says I fake, got pies like betty bake, top balla in every state
In Chi, I'm Mike, Boston, I'm Kenny
In Miami, I'm Timmy and Phoenix, I'm Penny
Damn, in Harlem, I'm Sammy, order or so
What the hell you want, got sons guns, run run
Make them run run, skate take one
From young one's, dumb dumbs
Hit wit the dumb dumbs, hit wit the stun gun
Oh damn, young hon, where the girl come from
And I wanna meet her, can I greet her? Yo, we in my bed for now
She said, " Oh no, my spine on respire now
Well, give me some points for now, talk to me, ma"
What means the world to you
My money, my doe, my hoes, my clothes
What means the world to you
My money, my doe, my hair, my nails
What means the world to you
Some sex, some mex and a little bit of head rah
What means the world to you
Sex is sweet wit a cat who eat
What means the world to you
Lots of cheese, shopping sprees
What means the world to you
Diamond rings, shinin' things
What means the world to you
Ladies, fellas
Ladies say, "Scream it out, speak it out
It's that time of the month for you leakin' out, say 'oww'
Shit, ya'll know, I'm down for the hoes, down for the doe
Down for a little lay dick on the low, ya'll know
It's that kima chick that'll heat ya chick
Squeeze the click, go home and get freaked again
Ya'll know I like that sex wit the right cat
Rings make them iced stack
Yo, now hold up, mama
I want you to be no
I done laid them, J'd them
That's right, played them
I ain't one of them hoes

Why you come wit them hoes
When I come for the doe
Keep them under control
What means the world to you
My money, my doe, my hoes, my clothes
What means the world to you
My money, my doe, my hair, my nails
What means the world to you
Some sex, some mex and a little bit of head rah
What means the world to you
Sex is sweet wit a cat who eat
What means the world to you
Lots of cheese, shopping sprees
What means the world to you
Diamond rings, shinin' things
What means the world to you
Ladies, fellas
What means the world to you
My money, my doe, my hoes, my clothes
What means the world to you
My money, my doe, my hair, my nails
What means the world to you
Some sex, some mex and a little bit of head rah
What means the world to you
Sex is sweet wit a cat who eat
What means the world to you
Lots of cheese, shopping sprees
What means the world to you
Diamond rings, shinin' things
What means the world to you
Ladies, fellas
