

Saddest Vacant Lot In All The World

Grandaddy

She's in the kitchen
Cryin' by the oven
It seems she really loved himAn' he's so drunk
He's passed out in a Datsun
That's parked out in the hot sun
In the saddest vacant lot in all the worldWorld
World
WorldBoldly goin'
Where he rarely knows
But he'll miss her when he goesWhat a shame
As she drifts out of reach
While he's still drunk asleep
In the saddest vacant lot in all the worldWorld
World
World
World
World
World
Ha, haWorld
World
World
World
World
Ha, haWorld
(Saddest vacant lot in all the world)
World
(Saddest vacant lot in all the world)
World
World
(Saddest vacant lot in all the world)
World
Ha, ha, ha
