Angels Are Crying

Narnia

Look and see what we've created
I'm not proud of what I see
We are living in a world of confusion
Lies don't bother us anymoreWe're the last generation
Still we live the same way as in Babylon
Oh no, we haven't learned the lessonThe angels are crying
When they see what we have done
See the angels are crying, cryingWe can't hear the spirit talking
Too deaf and blind to hear and see
We're too proud to change the way of living
Always eye for an eyeWe're the last generation
Still we live the same way as in Babylon
Oh no, we haven't learned the lessonThe angels are crying
When they see what we have done
See the angels are crying, cryingLook and see what we've created
I'm not proud of what I see
We are living in a world of confusion
Lies don't bother us anymoreWe're the last generation
Still we live the same way as in Babylon
Oh no, we haven't learned the lessonThe angels are crying
When they see what we have done
See the angels are crying, cryingLook out, look out
The angels are crying
When they see what we have done
See the angels are crying, crying
