

# Blessed or Bust

## James Apollo

god you look tired  
did you ever come home  
or wander the night  
to feel less alonegod you look tired  
skin stretched on bone  
you wont sleep at all  
if you dont sleep aloneoh its so hard  
oh its so sad  
oh i'm so wrong/late  
no it's too badOh its so hard  
to be blssed or bust  
go ask the old man  
go ask the dustnothing but time  
nothing but space  
the old life i loved  
well the new took its placeneeded the time  
needed the space  
now with it all  
to while and waste
