

# Selfish (feat. Jeremy Glenn)

## Tensnake

There was a time when it was all about us, nobody more  
Seems like every other night you're out that door  
And I don't know what you're doing, maybe pursuing another man  
There was a time when I'd lay it all down on the line  
And bare everything I had til you were mine  
But now all bets are off, can't afford the cost of loving you  
Why you so selfish?  
Be by my side, I'll runaway and hide til I can't help it  
I know you're not here with me  
Just how much more giving can I take?  
There was a time when you didn't care at all if you were poor  
Now all you seem to want is to have more  
And the cash you keep on spending  
It could be mending our broken lives  
Back in the day, before all you cared about was yourself  
Your concerns were more for love and heart and health  
But I won't stick a brighter day  
And the only cure for me is your love  
Why you so selfish?  
Be by my side, I'll runaway and hide til I can't help it  
I know you're not here with me

Just how much more giving can I take? Take it, take it all, take it, you'll take it all  
Why are you so selfish?
