

You Look So Good In Love

[Craig Wayne Boyd](#)

Oh how you sparkle
And oh how you shine
That flush on your cheeks
Is more than the wine
And he must do something
That I didn't do
whatever he's doing
It looks good on you 'Cause you look so good in love
You want him that's easy to see
You look so good in love
And I wish, you still wanted me He must have stolen
Some stars from the sky
And gave them to you
To wear in your eyes
I had my chances
But I set you free
And now I wonder
Why I couldn't see You look so good in love
You want him that's easy to see
You look so good in love
I wish, you still wanted me
