I Keep Coming Back

Tyrone Davis

I wanna leave you
But I just can't leave you
I keep coming back for a little more of Your love
I wanna go away But honey, I just can't stay
I keep coming back for a little more of your loveAnd I can't understand when try as hard as anyone can
Each night I dream I wake up and scream
Aah Baby, That I love you woman I love You
Oh Baby, I realise I treat you wrong
But I'm so sorry Let me come back were I belong
You see I'm Your fool I lost my cool
Ah Baby, that love You woman
I love You And I wouldn't lie
Oh, but I lay down and die
