Journey On - Elms District

Youâ€™ve only got one more river to cross
One more storm to go through
Youâ€™ve only got one more journey to walk
And through the waters wide
Only got one more mountain to climb
One more hand to reach for
Youâ€™ve only got one more journey to walk
And youâ€™re on the other side

The valley is deep oâ€™er mountain peaks
I wonâ€™t lose my way
And hills are steep and I am weak
Iâ€™ll journey on
The valley is deep oâ€™er mountain peaks
I wonâ€™t lose my way
And hills are steep and I am weak
Iâ€™ll journey on
The valley is deep oâ€™er mountain peaks
I said Iâ€™m not gonna lose my way
And I am weak
Iâ€™ll journey on
Oh Iâ€™m not gonna lose my way
Oh journey on
Iâ€™ll journey on

Youâ€™ve only got one more river to cross
One more storm to go through
Youâ€™ve only got one more journey to walk
And through the waters wide
Only got one more mountain to climb
One more hand to reach for
Youâ€™ve only got one more journey to walk
And youâ€™re on the other side
