# Autumn in New York

## Sarah Vaughan

Autumn in New York
Why does it seem so inviting?
Autumn in New York
It spells the thrill of first-nightingGlimmering crowds
And shimmering clouds
In canyons of steel
They're making me feel, I'm homeIt's autumn in New York
That brings the promise of new love
Autumn in New York
Is often mingled with painDreamers with empty hands
They sigh for exotic lands
It's autumn in New York
It's good to live it againAutumn in New York
You'll need no castles in Spain
Lovers that bless the dark
On benches in Central ParkGreet autumn in New York
It's good to live it again
In New York
