

School's Out

A*Teens

Well we got no choice
All the girls and boys
Making all that noise
'Cuz they've found new toys We can't salute ya
Can't find a flag
If that don't suit ya
That's a drag School's out for summer
School's out forever
I'm bored to pieces Well we got no class
And we got no principles
And we got no intelligence
We can't even think of a word that rhymes Well we can't salute ya
Can't find a flag
If that don't suit ya
That's a drag School's out for summer
School's out forever
I'm bored to pieces No more pencils, no more books
No more teachers, dirty looks
Out for summer, out 'til fall
We might not come back at all School's out for summer
(Detention)
School's out forever
School's out with fever
School's out completely School's out for summer
