

Miss Disregard

Lake Street Dive

I'm done with you
I'm totally done with you
I'm completely and utterly done with you. Just tell the truth
did I ever stand a chance?
Against all your rules
or is that too much to ask of you? I am done with you
I'm too old, you're too cool.
Trying's too damn hard
Sorry Miss Disregard. Just tell the truth
did I ever stand a chance?
Against all your rules
and the people that will dance for you.
