

the dreamer (phazed out)

Bliss n Eso

Hey you a dreamer? Ya... havent seen too many around
lately it's been tough lately for dreamers they say dreaming is dead,
that nobody does it any more.

It's not dead it's just been forgotten nobody teaches
so no one knows it exists

I'm trying to change all that now, and you are too,
by dreaming everyday by dreaming with our hands and
dreaming with our minds so what ever you do don't be board
because this is absolutely the most exiting time we could possible be alive
