

the RED

Para: noir

They say 'Freak'
When you're singled out
The red
Well, it filters through So lay down
The threat is real
When his sight
Goes red again Seeing red again
Seeing red again This change
He won't contain
Slip away
To clear your mind When asked
What made it show
(What made it show)
The truth
He can't send to most So lay down
The threat is real
When his sight
Goes red again So lay down
The threat is real
When his sight
Goes red again So lay down
The threat is real
When his sight
Goes red again Seeing red again
Seeing red again
Seeing red again
Seeing red again
Seeing red again
Seeing red again
Seeing red again
Seeing red They say 'Freak'
When you're singled out
The red
It filters through
