Another Day

Within Temptation

I know you are going away
I take my love into another day
In my thoughts, you're with me
Fell in love with your ways
I know you are going away
Leads my heart into a daze
I know you are going away
Leaves a void in my heart and soul
I know you are going away
I take my love into another day
In my thoughts, you're with me
Fell in love with your ways
I know you are going away
Leads my heart into a daze
I know you are going away
Leaves a void in my heart and soul
Wherever you are, whatever you do
I feel the walls surrounding you
Wherever you are, whatever you do
I know you're independent
But I'm trying to get through to you
Wherever you are, wherever you are
Don't you know, it all depends on you
Ooh, you, you
I know you are going away
Lead my heart into a daze
I know you are going away
Leave a void in my heart and soul
