

Real Eyes, Realize, Real Lies

Machine Head

The largest ever uprising in recent U.S. history.

(INAUDIBLE)

Police stand by as looters take what they want.

Police fatality is on the rise (?)

The national guard has been employed to establish control throughout L.A. as looting and mayhem continues.

I support an initiative that will put 100,000 police officers on the streets of America.

America has to go through some kind of radical change.

(INAUDIBLE) A caucasian white man.

(INAUDIBLE) Our own nation where we can promote white culture, white ideals, white attitudes and now we're gonna take it.

What I wanna see is the destruction of the whole white race.

You got scum, you got white scum, you also got spanish scum too... but... most of all, you got... nigger scum. Then why do you have to go after them or what do they have to go after you? Because we're different gangs we don't like each other. (INAUDIBLE). How they gonna but the gun away if our brother got shot you know?

America has to go through some kind of radical change.

Why... REAL EYES, REALIZE, REAL EYES

(INAUDIBLE) some black people being robbed, not every black steals.

(INAUDIBLE) Doesn't matter spic, black, white or anything

There's a new uprising in police brutality (?).

(INAUDIBLE)

You gotta know yourself, and you gotta know the image.

(INAUDIBLE)

America has to go through some kind of radical change.
